Sean:

We will meet at 9:00 am @ 905 N. Poplar. I would like you to bring the maps. I have already met with the (b) (6) and got access and have gotten 1 or 3 access agreements from the Doyle's. I have talked with the (b) (6) City, and School. Hopefully we will get the remainder of the agreements this week.

You do need to start working on the plan of action from the START perspective if you have received the Removal TDD.

Thanks
 Gary Moore

Good Morning Gary,

Sorry for the delay in getting back to you. I was in Mexico over the weekend.

I'm in. Let me know if you need me to prepare anything today in advance of our site visit. Also, what time do you want to meet up there?

Thanks,

Sean Gavlas
